

## Questionmark Live™

Create questions quickly with easy-to-use browser-based authoring tool

### Start Creating Questions in Minutes

Ideal for harvesting assessment content from globally dispersed subject matter experts

#### What is Questionmark Live?

Questionmark Live lets you easily write questions and then export them for use in Questionmark Perception. Subject matter experts (SMEs) can access this powerful authoring tool anytime, anywhere. This Web based application is available free of charge to all Questionmark Software Support Plan customers.

#### Up-and-running in Minutes

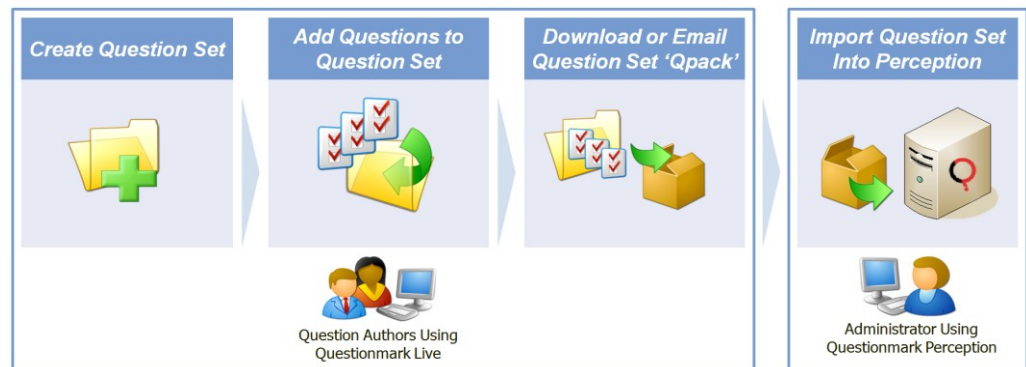

Questionmark Live combines ease of use and speed to success to provide a powerful content harvesting tool that allows SMEs to:

- Create an unlimited number of questions
- Choose from 5 different commonly-used question types
- Add images, links, feedback and more

#### How it Works

Questionmark Live is available without charge to all Questionmark Software Support Plan customers:

- Click on the "Questionmark Live" link on the Questionmark website or go to <https://live.questionmark.com>
- Enter your Questionmark Communities username and password when prompted
- Establish question sets focusing on a similar theme, subject or purpose
- Create questions by following simple prompts
- Enter feedback for each question choice
- Add comment boxes to questions
- Export or email questions to a Perception author
- Questions are now ready to be imported to Perception

#### Technical Requirements

Supported Windows Browsers

- Internet Explorer 6 or higher
- Firefox 2 or higher

Supported Mac Browsers

- Safari 3 or higher
- Firefox 2 or higher

Supported Versions of Perception

- Qpacks created in Questionmark Live can be imported into Perception versions 4.2 and higher

#### Benefits

- Intuitive - easy to start using in minutes.
- Multilingual interface – Questionmark Live is available in English, Dutch, German, French, or Spanish
- No software or hardware to install or maintain
- Familiar tools for formatting or adding images
- Ideal for harvesting questions from globally dispersed SMEs
