

## Performance Training Systems, Inc.

**Certification, promotion and testing services up-to-date with National Fire Protection Association Standards**

### Overview

Questionmark and Performance Training Systems (PTS) have partnered to leverage their respective strengths in deploying innovative learning and assessment solutions along with test banks for the fire and emergency medical fields.

### About Questionmark

Questionmark provides a secure enterprise-grade assessment platform and professional services to leading organizations around the world, delivered with care and unequalled expertise. Its full-service online assessment tool and professional services help customers to improve their performance and meet their compliance requirements. Questionmark enables organizations to unlock their potential by delivering assessments which are valid, reliable, fair and defensible.

Questionmark offers secure powerful integration with other LMS, LRS and proctoring services making it easy to bring everything together in one place. Questionmark's cloud-based assessment management platform offers rapid deployment, scalability for high-volume test delivery, 24/7 support, and the peace-of-mind of secure, audited U.S., Australian and European-based data centers.

### About Performance Training Systems, Inc.

For more than 28 years, Performance Training Systems has been the leader in valid and reliable testing services for the fire and emergency medical fields. A truly dedicated company, PTS' testing materials are used by 360 + fire department training divisions and 129 academies and training institutions, and 107 fire service certification entities worldwide.

PTS has a comprehensive library of the most current exam materials. All PTS test questions are written by experienced Fire and Emergency Medical personnel. Over 170 fire departments and training operations have contributed to the development, validation, revision, and updating of their exam questions. The PTS Staff is professionally educated, specially trained, and experienced psychometricians.

With 40 test item banks, composed of over 20,000+ questions, PTS provides the perfect foundation for your success.

With the help of Performance Training Systems, you will get the most valid promotional, selection, training and certification test banks and software available.
