

## Examity

### Partnering to provide a superior live online proctoring solution

#### Overview

Questionmark and Examity have partnered to leverage their respective strengths in deploying innovative solutions for higher stakes testing.

#### About Questionmark

Questionmark unlocks performance through reliable and secure online assessments.

Questionmark provides a secure enterprise- grade assessment platform and professional services to leading organizations around the world, delivered with care and unequalled expertise. Its full-service online assessment tool and professional services help customers to improve their performance and meet their compliance requirements. Questionmark enables organizations to unlock their potential by delivering assessments which are valid, reliable, fair and defensible.

Questionmark offers secure powerful integration with other LMS, LRS and proctoring services making it easy to bring everything together in one place. Questionmark's cloud-based assessment management platform offers rapid deployment, scalability for high-volume test delivery, 24/7 support, and the peace-of-mind of secure, audited U.S., Australian and European- based data centers.

#### About Examity

Examity® is a comprehensive exam integrity solution. Cost-effective, flexible, and totally customizable, Examity is the most advanced live online proctoring solution available. Examity's sophisticated technology, robust account management, and 24/7 technical support are just a few of the reasons Questionmark selected Examity as their online proctoring partner.

Examity's AI-backed technology and superior support are ideal for professional/corporate certifications and pre-employment testing. Around the clock service and extreme flexibility sets them apart from the competition. Test-takers sit for exams in more than 50 countries and 5 continents. At Examity, their top priority is to assist clients to maintain test integrity and protect their reputation.
