About Questionmark

Questionmark provides a secure enterprise-grade assessment platform and professional services to leading organizations around the world, delivered with care and unequalled expertise. Its full-service online assessment tool and professional services help customers to improve their performance and meet their compliance requirements. Questionmark enables organizations to unlock their potential by delivering valid, reliable and defensible assessments.

Key Features

Collaborative, secure authoring of surveys, quizzes, test, exams and observational assessments

Secure content delivery with locked-down browser to reduce the risk of cheating and content theft

Live online, record & review and onsite proctoring options to protect integrity of assessments

Blended assessment delivery methods to support a broad range of devices and security needs

Electronic or printing and scanning delivery options for online or paper-and-pencil assessments

Reporting and analytics including item analysis reports, question statistics and much more
